

- 1: Can I quote you on your towel and tissue? (Paper towels and toilet paper)
- 2: What products are you currently using, and are you having any issues?
- 3: Would you be interested in looking at a program that could save money and improve your facilities?
- 4: Would you be interested in our poly paks, which have a resale value to them and can save storage space?
5. How many dispensers do you currently have in your facility?
