Perfect for
Fine Dining

Vertex China is one of today's leading chinaware companies serving upscale restaurants, cruise lines, casinos, hotels, commercial catering and the leisure hospitality industry. Our award-winning line is known for outstanding quality, first-class innovation, cutting-edge design and exceptional value.

Whether it's an e POS system, credit card machine printer, or a kitchen receipt printer, you depend on your till rolls to be high-quality, long-lasting, and available when needed. NCCO International has the right till roll for every point of sale, whether it requires a blend of thermal, one-ply, and maybe even two-ply till rolls.

Perfect for Casual Dining

Cutlerease® - Easy to Operate and Convenient

Cutlerease® innovative dispensing system promotes improved hygiene and reduces the spread of germs by releasing one piece of cutlery at a time. They can even be customized with CLINGZ™, just ask us!

Customize your cutlery options. Cutlerease® is so versatile, you can mix and match cutlery to meet your business needs. Want more spoons than forks? No problem. The universal base design makes it simple to swap out cutlery types and cartridges.

Custom Print Souvenir Cups

Customizable drinkware is specifically designed with multiple uses in mind. Memorables™ and Frost-Flex® cups are available in many sizes and colors, and they are a cost-effective way to promote your brand, your events, and so much more!

- Minimum order quantity: 500 pieces for general drinkware
- Lead time to ship from art approval and PO: 10-15 business days
- Low minimums; lower Inventory carrying costs
- Capability of collated designs per case

DATEIT™

Food safety is critical to your business and something that requires constant monitoring. From the cooler to the prep area, it's important to know which products to use first to reduce your risk of spoilage. Food rotation labels can help you:

- Improve inventory management
- Monitor the expiration dates of your food
- Avoid cross-contamination
- Ensure customer safety
- Reduce waste which saves you money

FOODHANDLER® THINSENSE™
